JACOB SCHETZ, Sole Proprietor

It is a reliable Family Medicine, and can be
taken by either infant or adult with the same
effectual results. It is a certain, prompt and speedy
remedy for diarrhea, dysentery, bowel complaints,
dyspepsia, loss of spirits, faintings, sick
headache, neuralgia, etc., etc. In cases of all
kinds, it is far better and safer than any
without its pernicious effects. If effects
an appetite, proves a powerful digestor of food and
drugs, and can digest liquors in a few
minutes. As indisputable evidence of its medi-
cal properties, we append a few of the many certi-
ficates in our possession:

Johnson's Depot, East Tenn., and Va. R. E.

JACOB SCHETZ, Esq.—Dear Sir: I have used the
Bitters you have obtained from you, and find them
to be all there are recommended to be. I found
one bottle to afford me considerable relief. I feel
as though I cannot do very well without them, in
my present state of health.

no oral laws, from which none escape.
The last clause of the rate and twin features, the
duty of every individual, the deep heating

break the interring east, all indicate previous
transgressions on law. Knowing that "proscriptions
are not in time," no intelligent beings
apply for some remission, as such admissions
are permitted; while those who do not act upon the
principle that "diseases are dangerous," generally
languish more time and pay more money.

The medical men, however, in all
stations and conditions of life, are suffering,
linger and dying from the effects of some

Manufacturer and vendor of the

CELEBRATED

SYRUP

FOR THE

CURE OF AGUE AND FEVER

Chills and Fever.

The proprietor of this celebrated medicine

justly claims for it a superiority over all re-

medicines ever offered to the public for the ague,

fever and ague, and for short or long standing.

He refers to the entire Western and

Southwestern country to hear testimony to

the truth of the claim, that no other

medicine will, in full force, cure diseases

so strictly followed and carried out.

In a great many cases a single dose has been sufficient for a cure, and often families have been cured by a single dose, with a perfect recovery of the general health. It is, however, prudent, and in

every case more certain to cure, if this is con-

tinued in smaller doses for a week or two after the

cessation of the disease.

Price, \$1.00 per box.

Also a full assortment of Bandages and Trusses

a superior quality of Male Shrubs, \$1.00 per
